Vehicles destined for EEA. The models listed above are destined for the European Economic Area ('EEA') market. Volvo Cars does not guarantee the compatibility of these models with any rules or regulations applicable outside the EEA. If you export these models outside of the EEA or if you request us to do so for you, such export will take place at your own risk.

Export of vehicles. Export outside of the country of purchase in any event occurs at your risk and cost. The prices listed above are exclusive of freight charges, taxes, licenses and any other documentation related to the export of your vehicle outside of the country of purchase. In case of export, the dealer will request you to deposit the amount of VAT applicable in the country of purchase as a guarantee. The dealer will reimburse the relevant amount to you upon receipt of (i) proof that you are exempted from VAT in the country where the vehicle is registered, or (ii) proof that VAT has been paid in the country where the vehicle is registered.

(1) Prices. A delivery fee of € 250 (excl. VAT) will be added to the prices listed above for vehicles supplied in the Grand Duchy of Luxembourg. The above-listed prices are furthermore exclusive of dealer preparation fees. Therefore, additional charges may be applied at your delivery point. Finally, you will be responsible for the payment of VAT (as applicable in the country of first registration of your vehicle) and any other taxes, as well as any registration and similar fees, all to the extent applicable. For ease of reference, VAT as currently applicable in Belgium and the Grand Duchy of Luxembourg are listed above.

The Volvo S90 has been approved in accordance with the World Harmonised Light Vehicle Test Procedure (WLTP), a new and more realistic test procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. Owing to the more realistic test conditions, the fuel consumption and CO₂ emissions measured in accordance with the WLTP are in many cases higher than those measured using the NEDC.

DESIGNS

BRIGHT

For B4 and T8 AWD

Silver grille with trim and vertical strips in chrome

Bumpers front/rear with chrome inlays

Chrome strip on the doors (with Recharge logo in relief for T8 AWD)

Chrome trim on side windows

DESIGNS

DARK

For T8 AWD

Grille with sporty design, frame and horizontal strips in Glossy Black

Bumpers front/rear with sporty design and elements in Glossy Black

Glossy Black trim on side windows

Glossy Black outer rear-view mirror caps

PLUS STANDARD EQUIPMENT

S90 Plus equipment. Bright or Dark design can be chosen depending on the engine.	Bright or Dark	0,00	0	0	–	S
	Bright	0,00	0	0	S	–

S = Standard | – = Not available

SAFETY

Stability and traction control: Electronic Stability Control (ESC) including Active Yaw Control, Understeer Control Logic, Advanced Stability Control, Roll Stability Control, Driver Steering Recommendation, Sport Mode, Dynamic Torque Vectoring, Trailer Stability Assist (combined with the tow bar) and Hill Descent Control (with All Wheel Drive only) | Traction Control (TC) including Corner Traction Control with Torque Vectoring | Spin Control including Engine Drag Control.

Lane Keeping Aid: helps the driver to stay in lane (active from 65 km/h), including Run-off Road Mitigation: helps prevent the vehicle from running off the road, with steering aid and braking intervention (active between 65 and 140 km/h)

Oncoming Lane Mitigation: helps the driver to avoid collisions with vehicles coming in the opposite direction by automatically adjusting the steering & Oncoming Mitigation by Braking: automatic braking system attenuating the impact of a head-on collision

City Safety system: helps the driver to avoid or attenuate collisions with other vehicles (including those coming in the opposite direction at crossroads), cyclists, pedestrians and large animals (active up to a speed difference of 50 km/h, day and night), including automatic steering assistance (Steer Assist system active between 50 and 100 km/h) and active braking intervention

Driver Alert Control (DAC): system that detects and warns of tiredness

Intelligent Speed Assist (ISA) and Driver Drowsiness & Attention Warning (DDAW)

Connected Safety technology including Slippery Road Alert and Hazard Light Alert

Automatic braking after a collision

Indirect Tyre Pressure Monitoring System (iTPMS)

Ultra-resistant structure of vehicle interior and roof in boron steel

Collapsible steering column

Automatic unlocking after a collision

Height-adjustable seat belts in front and with pre-tensioners and load limiters front and rear

Run-off Road Protection: protection if the vehicle leaves the road, with steering correction (Run-off Road Mitigation), including energy-absorbing front seat cushions

Frontal airbags including driver knee airbag, SIPS® side airbags and inflatable curtains

WHIPS® (Whiplash Injury Protection System): provides protection against injuries due to whiplash thanks to specific energy-absorbing backrests and seats and head restraints integrated into the front seats

Brake Pedal Release: automatic release of brake pedal, by means of a pyrotechnic device, in the event of an accident to attenuate injuries to feet, legs and back

Emergency brake lights

Power-operated child safety lock on rear doors

Isofix anchorages for the outer positions of the rear seat

Front passenger airbag cut-off switch

DRIVER ASSISTANCE

Driver Assistance: consists of Adaptive Cruise Control, Pilot Assist, Curve Speed Adaptation and Emergency Stop Assist. Pilot Assist enables empowered driving on motorways and roads with side ground marking up to a speed of 130 km/h. It supports you to comfortably follow the traffic flow and can provide pleasant steering support to keep the car centered in its lane. Curve Speed Adaptation utilises map data to adapt cruising speed in curves to a comfortable level. Emergency Stop Assist can bring the vehicle to a complete stop in lane in situations where the driver is not responding to hands-off warnings.

Driver Awareness: advanced safety alert and intervention system, including BLIS (Blind Spot Information System with steering assistance), Rear Collision Warning with automatic emergency braking, Prepared Front Safety Belts and Cross Traffic Alert (detection of vehicles coming from the side when reversing)

Front Park Assist

Rear Park Assist with auto brake function

Rear Park Assist Camera

Advanced Driver Assist System (ADAS) sensor platform

Road Sign Information (RSI) with Speed Limiter: display of road sign information with excess speed warning and automatic speed limiter

Ready to Drive notification: inform the driver via a sound and a visual notification if its car is still standing still even though the other car in front has moved a certain distance or exceeded a certain speed

Drive Modes: up to 4 modes (Comfort for mild hybrids or Hybrid/Pure/AWD/Power for plug-in hybrids) with different parameters for the use of the combustion and/or electrical engine, throttle response, automatic gearbox, start/stop function, optional all-wheel drive, assisted steering, brakes, climate control and optional adaptive cruise control

MULTIMEDIA & CONNECTIVITY

12,3" driver information display with two display modes : Calm and Navi

9" center display with touchscreen to control most of the functions

Infotainment system with Digital Services | 4 years subscription included to enjoy the different Google services:

- Google Maps: navigation and public charging stations locator directly on the centre display

- Google Assistant: speech and planning of route with "Hey, Google"

- Google Play Store: entertainment with access to a wide range of existing and coming in-car apps such as Spotify®

Apple CarPlay®: access to third developers apps such as Waze® and WhatsApp®

OTA (Over The Air) updates

Wireless charging for smartphone in the central tunnel (electromagnetic induction technology only) (not on T8 AWD)

Integrated assistance service with E-Call function and SOS assistance service for emergencies | Volvo Cars services for roadside assistance via Volvo Assistance and comfort features via the Volvo Cars app for smartphone: (un)lock and locate the car, vehicle log book, consult the dashboard, receive warnings, intrusion alert (if option 140), programming/activation of parking heater (if option 273) | 4 years subscription included

Harman Kardon audio system with 14 speakers (4 tweeters, 2 mid-range, 4 woofers, 3 full-range surround and 1 ventilated subwoofer) and 12-channel 600W amplifier DAB+ (Digital Audio Broadcasting)

4 USB-C connections: 2 in the central console and 2 at the rear of the tunnel console

Bluetooth® hands-free telephone system and audio streaming

Controls integrated into steering wheel for driver display, adaptive cruise control, audio, telephone, navigation system and voice commands

PERSONAL SAFETY AND CONVENIENCE

Keyless Entry: passive (un)locking, hands-free opening/closing of tailgate (foot movement under the rear bumper), LED entry lighting integrated in the door handles

Keyless Start: starts the engine without a key

BRIGHT DESIGN

For B4 and T8 AWD

OR

DARK DESIGN

For T8 AWD

PLUS STANDARD EQUIPMENT

Electric parking brake with Auto Hold (automatic brake at a standstill) and Hill Start Assist (assistance to start on a hill or slope) functions
External and internal approach lighting, turned on when the vehicle is unlocked
Follow Me Home safety lighting
Remote-controlled central locking, automatic door locking > 7 km/h (to be activated from the menu) and automatic unlocking after a collision
Comfort closing: simultaneous locking/unlocking and closing/opening of all the doors and windows, as well as the optional sunroof
Immobiliser
Two remote controls, including one "Care Key" which allows you to set a lower maximal speed (<180 km/h)
Tyre repair kit
CLIMATE CONTROL
Two-zone electric automatic climate control system with air vents at the rear, humidity sensor, air recirculation function and pollen filter
Air purifier (incl. Advanced air cleaner, Advanced filter, AQS and PM 2.5 sensor (APMS)) which removes up to 95% of all harmful PM 2.5 particles and pollen from the air in the car. Control and statistics via the central display or the Volvo Cars app
Pre-ventilation and post-air conditioning inside the vehicle when the engine is off
Heated front seats
Heated rear seats (outer seating positions) (not with option 322)
Heated steering wheel
Integrated suncurtains in rear doors
Front windscreen wiper blades with integrated washers
Rain sensor with adjustable sensitivity level
VERSATILITY
Ticket holder on driver's side of the windscreen
Storage nets in backrest of front seats
Storage net on right in luggage compartment (not on T8 AWD)
Power-operated tailgate
12 V power outlet in the luggage compartment
Storage space beneath luggage compartment floor
Four folding load retainer eyelets in luggage compartment
Black plastic load sill protection
INTERIOR
Moritz leather upholstery
Upper part of the dashboard and door panels at front and rear covered in simili-leather
Power-operated front seats with memory function for seat position and outer rear-view mirrors position (incl. automatic angling during parking)
Power-operated seat cushion extension in front seats
Power-operated four-way lumbar support in both front seats
Rear seat with folding two-split 60/40 backrest with load hatch for long objects and central armrest with telescopic cup holders
Premium floor mats front and rear
Power folding rear head restraints
Height- and depth-adjustable Steering wheel
Interior rear-view mirror without trim, with automatic anti-glare function
12 V power outlet at front of the tunnel console
Active Noise Control with EOE (Engine Order Enhancement) (on B4)
Interior lighting Pro (very generous amount of interior lighting including dimmed lighting at front and rear)
Aluminium front door sill moulding with Volvo logo
EXTERIOR
19" alloy wheels
LED headlights with integrated T-shaped daytime running lights, automatic level adjustment, Active High Beam and automatic headlights
LED rear lights with sequential indicator
Dynamic chassis
Power retractable, heated outer rear-view mirrors with colour coordinated cap, automatic dimming and integrated LED indicator
Roof spoiler

PLUG-IN HYBRID ADDITIONAL STANDARD EQUIPMENT

RECHARGE
Preconditioning to cool/heat the cabin to comfort temperature
Predictive Efficiency: function that optimises the use of the electric engine and the battery capacity based on the destination entered
Acoustic Vehicle Alerting System (AVAS) at slow speed
One Pedal Drive: possibility to use only one pedal to accelerate or brake - just by lifting the pedal the driver can, on a short distance, slow the car all the way to standstill not having to use the brake pedal
Glossy black finish of the tunnel console
Air-ventilated subwoofer
Active Noise Control with EOE (Engine Order Enhancement) and EOR (Engine Order Reduction)
Aluminium front door sill moulding with Recharge logo
10A charging cable with Schuko socket (for domestic use), length 7 m
Recharge emblem at rear

Electric range (combined) km	88 - 74	-
CO ₂ emissions (combined) g/km	18 - 25	156 - 175
WEIGHTS AND MEASURES		
Min. curb weight (kg)	2.040	1.755
Running order weight (kg)	2.119	1.825
Max. total weight (kg)	2.570	2.300
Max. braked/unbraked trailer (kg)	2.100 / 750	2.000 / 750
Max. roof load capacity (kg)	100	100
Volume load luggage compartment ISO V210-2 (incl. V209) (liters)	431	453
Volume under load compartment floor (with/without spare wheel) ISO V209 (liters)	- / 2	7 / 24
Fuel tank capacity (litres)	60	60

DIMENSIONS

EXTERIOR

Length x width x height (empty) on B4	496,9 x 189,0 x 144,6 cm
Length x width x height (empty) on T8 AWD	496,9 x 189,0 x 144,1 cm
Wheelbase	294,1 cm
Front track with 19" / 20" / 21"	161,8 / 161,7 / 162,3 cm
Rear track with 19" / 20" / 21"	161,9 / 161,8 / 162,4 cm
Turning circle between curbs with 19"-21"	11,4 / 11,8 m
Ground clearance (driver included) / Fording depth on B4	15,3 / 25,0 cm
Ground clearance (driver included) / Fording depth on T8 AWD	15,1 / 25,0 cm

INTERIOR

Headroom with sunroof front/rear	95,0 cm / 96,0 cm
Headroom without sunroof front/rear	98,4 cm / 96,1 cm
Shoulder room front/rear	146,0 / 142,0 cm
Leg room front/rear	107,1 / 91,1 cm
Min./max. length luggage compartment rear seats-tailgate	114,9 cm
Min./max. length luggage compartment front seats-tailgate	197,8 cm
Height luggage compartment	37,3 cm
Lifting height	67,2 cm
Width luggage compartment between wheel arches	102,4 cm
Min./Max. width tailgate opening	101,4 cm

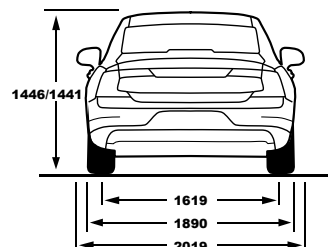

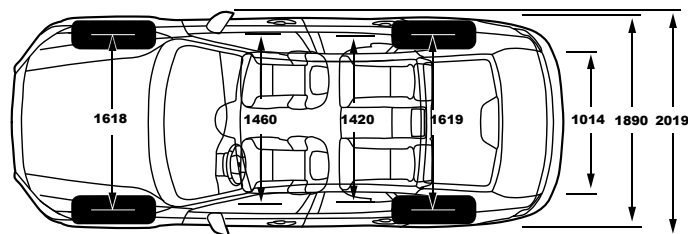

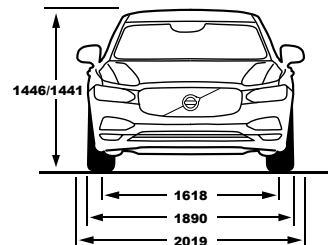

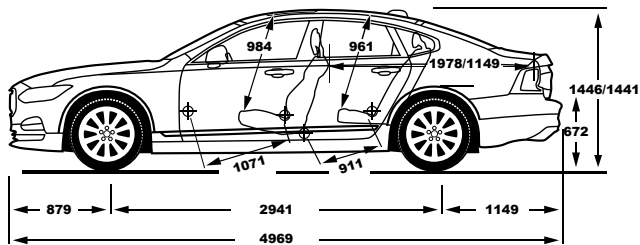

* Consumption and emission trials conducted in conditions monitored by a test body approved in accordance with the World Harmonised Light Vehicle Test Procedure ("WLTP") (EURO 6d) emissions standard), a more realistic procedure for measuring the fuel consumption and CO₂ emissions of the car. The WLTP replaces the New European Driving Cycle test procedure, "NEDC", and takes account of the options and certain accessories in the car which have an impact on the weight and aerodynamics of the vehicle. In addition to fuel efficiency, driving behaviour and other non-technical factors can also result in higher fuel consumption and CO₂ emissions from the car in practice. The CO₂ emissions are displayed within a range of values with the lowest possible value and the highest possible value depending on the options and accessories chosen, that is standard equipment (the lowest) compared with full-option equipment (the highest).

SPECIFIC WARRANTY

VOLVO RECHARGE:

426V batterie warranty: the batteries undergo normal wear depending on age and use. If the battery capacity falls below 65% of the original state within 5 years or 100.000 km (whichever is reached first) and below 55% between 5-8 years or 100.000-160.000 km (whichever is reached first), the battery will be replaced under guarantee.

V O L V O

Some of the information in this brochure may be incorrect due to changes to the product specifications introduced after the brochure was published, in particular CO₂ emissions and fuel consumption figures. Volvo Car Belux reserves the right to make changes to the prices, colours, materials, specifications and models at any time without prior notice. The images shown are for information purposes only and may differ from the actual product. Certain equipment, options or accessories described or shown are available at an additional cost. All list prices in this brochure are recommended resale prices. VAT applicable is 21% for Belgium and 16% for the Grand Duchy of Luxembourg. Ask your Volvo distributor for the latest information before ordering.

The prices for accessories always include fitting (unless otherwise specified) and (where applicable) Recupel (for Belgium) or Ecotrel (for the Grand Duchy of Luxembourg). Recommended prices for wheel kits (composed of 4 complete wheels with rims and tyres) always include environmental contribution (Recytyre for Belgium), but without fitting and software update (if needed).

Further information, specifications and conditions relating to our Volvo Car Extended Services is available in Dutch and French and can be found at volvocars.be/extendedservices-nl, volvocars.be/extendedservices-fr or volvocars.lu/extendedservices.

The price of the car includes access to the following digital services for a period of 4 years after the start of the data subscription: Google Assistant, Google Maps, Google Play Store, the Volvo Cars app remote functions and data for the above services. After that period a paid prolongment or renewal will be suggested.

Environmental information [Royal Decree 19/03/2004]: all self-respecting Volvo drivers put safety first.
